## School Opens Monday, Sept. 13th

**Teachers Secured and Assigned.—**  
Half Day Sessions of First, Second and Third Grades Will Alleviate Crowded Conditions in Grammar and Primary Departments.

The securing of teachers and date of commencing of school has been announced by Superintendent Walker for the 1920-21 season of the Alpine District. School will start Monday, September 13th. Teachers for every grade have been secured and a very successful school year promises.

The decision to hold only half-day sessions for the first, second and third grades in all of the large schools in the district will alleviate to a certain extent the crowded condition that exists in the Lehi school buildings. With this change in effect it is said the local schools will get along with the building work last year.

Following is the list of teachers secured for the season:

**Lehi, 4th Precinct.**  
**High School—**  
Junius Banks, Principal.  
Byrl Hamilton Margaret Thurman  
David Mitchell Robert Pixton  
Karl Banks Leander Tammen  
**Grammar—**  
Wm. Davis, Principal.  
Ariel Jensen Winnie Evans  
Wallace Anderson Iona Holmstead  
Ida Thurman Emeline Dubois  
Vera Taylor Dalcie Southwick  
Iona Gilchrist Edith Goates  
Eliza Phillips  
**Primary—**  
Edna Loveless, Principal.  
Marvel Taylor Arvilla Woolston  
Arona Goodwin Violet Broadbent  
Norma Jones June Whipple  
**Sago Lily—**  
Mrs. M. L. Field Margaret Baker  
Myrona Whalley Jennie Welch  
Ada Anderson, music for 4th precinct.  
**Fifth Precinct.**  
Ralph Dubois Nettie Bjork  
Fairfield—  
Woodruff Berry

**Tabernacle Remodeling Started**  
Under the direction of W. W. Dickerson workmen commenced the remodeling of the Tabernacle basement yesterday for school purposes. The basement will be divided into two large rooms with necessary smaller adjoining store rooms, etc. One will be arranged as an agricultural laboratory and the other as a wood work shop. The two rear rooms immediately to the rear of the organ and the one above will be converted into domestic science and art rooms. About a month will be the time required to put the rooms in shape it is figured.

### ARIZONA TEMPLE DAY

In order that every Latterday Saint who desires to contribute to the erection of the Temple at Mesa, Arizona, Sunday, September 12th, has been set aside as "Arizona Temple Day." We request that each Bishop in the Church make arrangements by which all who desire may make these donations, and we hope each Bishop will encourage EVERY member of his ward to become a donor. Further details concerning the collection of the funds, record of donors, and the manner of remitting the donations, will be given by the Presiding Bishopric, who will collect these funds.

HEBER J. GRANT,  
ANTHONY H. LUND,  
CHARLES W. PENROSE,  
First Presidency.

### PROTECT YOUR EYES

### SPECIAL COUNCIL MEETING

In special council meeting Tuesday evening Glen Adamson was appointed recorder to fill the vacancy left by the resignation of A. L. Yates, who has accepted a position in Salt Lake City as instructor in the city schools.

Other business taken up included a report from Mayor Gardner concerning obtaining of cement for paving work and the foundation of the Memorial-Carnegie building. It was said that the car shortage is holding up cement shipments but by trucking the needed material from Salt Lake the work can be gone ahead with.

It is the intention of the city officials to push both jobs. In conformity with these plans actual operations on the foundation of the new buildings can be expected in the very near future.

### SARATOGA NOT CLOSED

Contrary to a persistent rumor that Saratoga is closed, the resort is still open and has been every day this season and further the management reports they will remain open until October.

A report, started by some malicious persons for personal reasons, saying the health conditions were not good at the resort and that a person with an incurable contagious disease was at the place have gone broadcast. This is absolutely incorrect as the state health inspector has visited the resort several times and pronounced everything in tip-top shape.

The management is indignant over the report and wishes to inform the public that everything is being done to keep the place in a first class sanitary condition.

## Lehi Railroad Man Dies

**Funeral For John Wood Held At Home Yesterday Afternoon**

Ptomaine poisoning caused the death of John Wood, railroad conductor on the Western branch for a long time, at the Holy Cross hospital where he was ill only nine days. Poisoning occurred at Callenta from where he was rushed to the Salt Lake hospital.

Following death the remains were brought to Lehi by undertaker Malan where they were held until burial yesterday. Funeral services were conducted at the residence in the Lehi Third Ward. Bishop Henry Lewis read a biographical sketch and with Edward Southwick offered remarks of a very consoling nature for the mother and children left behind. Opening prayer was pronounced by John E. Jones and the benediction by N. O. Malan. The ward choir opened by singing, "I Need Thee Every Hour," followed by the selection, "Jesus My Savior," by Fred Reeves, Mrs. George Price and William Haddfield rendered a duet, "When the Angels Have Lifted the Veil" and Miss Rozella Johnson and Mrs. Ernest Jackson sang a duet, "Some Sweet Day." In conclusion the choir sang, "Beautiful Isle."

### Biographical Sketch

John Wood, son of Stephen and Florence Wood, was born February 20, 1861, in Illinois. He came to Utah in 1887 and was married to Alice Johnson, October 6, 1888. To them was born three sons and three daughters, one son and one daughter of whom having preceded him to the great beyond.

While attending to his duties as railroad conductor at Callenta, August 15th, he was effected with ptomaine poisoning. Immediately he was taken to the Holy Cross hospital where the best medical men did all that could be done for him. But he grew gradually worse and passed away August 29th. At the time of death he was 59 years, 6 months and 10 days old. Besides his wife two sons, John and William, two daughters, Mrs. E. J. Randall and Mary, and a host of friends mourn his loss.

Mrs. George P. Price spent Tuesday visiting at London.

## Utah Census Report Shows Good Growth

**Utah County Make 7.5 Percent Increase.—Lehi Makes Better Growth Than Neighboring Towns.**

Washington, Aug. 30.—Utah, forty-first state in population ten years ago, and the 1920 population of which was announced today by the census bureau as 449,446, has shown the largest percentage of growth of any state thus far announced in the fourteenth census. Its rate of growth, 20.4 percent, was almost as large as that for the decade ending with 1910, but its numerical increase was exceeded in that decade.

In the last ten years its increase was 78,995, while ten years ago it showed an increase of 96,602. The state now has almost forty times the population it had when organized as a territory in 1850, and its increase in the last ten years is more than six times the population at that time.

Utah had a population of 373,351 in 1910, ranking as the forty-first most populous state in the union. It showed an increase of 96,602 or 24.9 percent over 1900, having had the largest growth numerically in its history to that time.

In area Utah ranked as tenth largest state in the union in 1910, with a land area of 82,184 square miles, making its population average 4.5 per square mile.

Utah county made a growth of 7.5 percent or an increase of 2850 since 1910. Her present population is given as 40,792.

Lehi city's growth has been larger the last ten years than either American Fork or Pleasant Grove but does not compare with the cities in the southern part of the county. There are now 114 more persons living here than there were in 1910 the census report shows. This increase is encouraging when compared with American Fork which has a loss of 34 persons.

Populations of incorporated places in Utah county, Utah, as announced today by the census bureau, are as follows, the 1920 figures being given first and the 1910 figures second:

Alpine	470	490
American Fork	2763	2797
Goshen	526	470
Lehi	3078	2964
Mapleton	586	534
Payson	3031	2397
Pleasant Grove	1682	1618
Provo	10,303	8925
Salem	609	693
Santaquin	978	915
Spanish Fork	4036	3464
Springville	3010	3356

### JUNIOR BAND FILLS FIRST OUT-OF-TOWN ENGAGEMENT

Band Master Abraham Anderson took the Lehi Junior Band to American Fork Wednesday afternoon where they successfully filled their first out-of-town engagement. They furnished a number of selections at the baseball park to the delight of many spectators.

We are watching every opportunity possible to put goods down.

You can't get on getting the best at the same price at

## Broadb Store

P. S.—We have Routines and Frame Pictures. Name yours.

## Band Concert Sunday Proved Very Entertaining

**Many Compliments Paid Organization For Their Efforts and Splendid Music.—More Concerts Coming.**

A large number of citizens turned out Sunday afternoon to hear the first open air band concert given at the Wines Park this season by the Lehi Silver Band. Appreciation of those present was manifested in applause and compliments paid to the band members for their efforts. Many were heard to say it was the best evening they had enjoyed this summer and expressed a desire that something of the kind be arranged at regular intervals.

These desires will be filled according to President Leon Taylor who states that the band will give a number of concerts. The next one will be Sunday, September 6th, commencing at 6 p. m.

Since the organization of the band this spring great progress has been made. Prof. A. Anderson with others started the movement, took up a collection, purchased instruments and got things to going. Practices were held often and at the present time the band is said to be playing as good music as any organization of its size in the state.

Recent reorganization was made necessary because of school work which will take the time of Prof. Anderson. Besides his musical work in school he is handling all of the instruction work of the Junior Band. Mr. Anderson has and still is a booster of the band and says he hopes to develop enough junior members to fill in any vacancies that occur in the Silver Band.

The newly elected officers of the Silver Band are: Leon Taylor, president; Dennis Giles, director and Harold Fox, secretary.

Financially the organization is in good shape. All instruments are paid for and no debts are outstanding.

### EXPLAINED

"Walter, this coffee is nothing but mud."  
"Yes, sir; it was ground this morning."—Poo Doo.

### FIRST SNOW OF SEASON CAPPED MOUNTAINS FRIDAY

King Winter cast his first mantle of snow this season over the top of Mt. Timpanogos and other mountains surrounding Utah valley Friday morning. The storm was quite general and although the temperature dropped considerably it is the belief that the cold snap will not hurt the crops.

Much good will result to the local beet, potato and alfalfa crops as the moisture came at just the time when the water supply is falling off and the plants need water for proper maturing. Many alfalfa fields will now produce a good third crop where without the storm only short growth would have been made. Many tons of beets will result from faster growth and the potato fields will respond with more bushels of the Irish dish.

### CAPTAIN IRA WOODHOUSE WILL RETURN TO AMERICA

Elko, Nev., Aug. 28.—In a telegram to his father, Ike Woodhouse, Captain Ira Woodhouse, American aviator, announces that he will return from Paris next week. Captain Woodhouse first entered the ambulance service of the French army two years before the United States entered the war. He transferred to the aviation branch of the army and saw service in the A. E. F.

After the armistice he secured his discharge and joined the Polish forces who were battling the Bolsheviks. His plane was shot down in flames in an encounter with a Bolshevik aviator, but he escaped without serious injury. He was discharged from the Polish army eight weeks ago.

### Fingers With Only One Joint

Dr. C. F. Oddie reports to the archives of radiology and electrotherapy (London) the case of a boy of fourteen whose fingers have only one joint. His mother had similar hands, as have four of her nine children, the fingers of the five others being normal.

## A Juicy Broiled Steak

Wouldn't you enjoy one for dinner — thick and juicy, broiled to a turn, with rich brown gravy? Easiest thing in the world with

## COLE'S HOT BLAST RANGE

The Odorless and Smokeless Broiler and Toaster does the work—saves all the rich juices which are wasted by other methods, and does not take up any of the valuable top cooking space.

It's an exclusive feature of this remarkable range. See it at our store today.
